

UKC2013

2013 KWise-KOFWST Forum

How to Reach Beyond Mid-Career in Science and Engineering

August 10, Sat 2-4:30pm

Sheraton Meadowlands Hotel
East Rutherford, NJ

Symposium Synopsis:

This forum is jointly organized by the Korean-American Women in Science and Engineering (KWise) and Korean Federation for Women Science and Technology associations (KOFWST). The title of the forum is "How to Reach Beyond Mid-career in Science and Engineering". This forum will discuss how to facilitate moving mid-career professionals to upper levels. KWise and KOFWST aim to play roles in helping women's career advances in science and engineering in the US and Korea. All women professionals including the one who is in the beginning of their career are invited.

Organizers:

Co-Chairs: An, Haejung, President of KWise, USA
Na, Doe Sun, Vice-President, KOFST
Han, Gye Won, TSRI, USA

Committee: Susan Yang (Chapman Univ.),
Jihie Kim (USC)
Jeong Im Woo (House Ear Institute)
Suejung Huh (Dream Works)
Minhee Ko (Univ. of Southern California)
Eunjeong Yoo (Univ. of Southern California)
Hee-Yong Kim (NIH)
Hey Kyung Lee (Johns Hopkins Univ.)
Youngjin Park (SAS)
Cathy Lee (Gordon Univ.)
Gwe-Ya Kim (UCSD)

Editors: Suejung Huh (DreamWorks), Minyoung Lim (City of Hope)

KWise

Korean-American
Woman in Science
and Engineering

한국여성과학기술단체총연합회
Korea Federation of Women's Science & Technology Associations

한국과학기술단체총연합회
KOFST THE KOREAN FEDERATION OF SCIENCE
AND TECHNOLOGY SOCIETIES

재미한인과학기술자협회
KSEA
Korean-American Scientists and Engineers Association

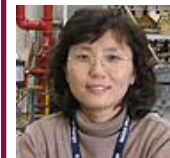

Featured Speakers

Title: Gender, Science & Technology and Leadership: The Case of Korea

Kim, Myung-ja, PhD

President of KOFWST
Former Minister of Environment,
Former Member of the National Assembly, Korea

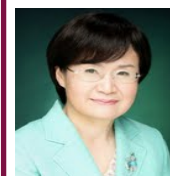

Seo, Eun Suk, PhD

Professor, Department of Physics
University of Maryland, USA

Title: Valued Leadership Styles and Skills Across The Culture

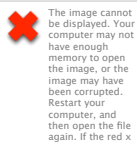

Song, Won Ok, PhD, MPH, RD,
Dept of Food Sci & Human Nutrition
Michigan State University, USA

Na, Doe Sun, PhD

Professor of University of Ulsan
Vice-President of KOFST
Vice-President of Korean Academy of
Science and Technology, Korea

Discussants (Panels):

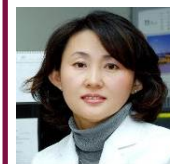

Han, Gye Won, PhD
Former KWise President
The Scripps Research Institute, USA

Lee, Yeonhee, PhD

Professor of Seoul Women's University
Director of Korea National Research Resource Center
President of Asian Network of
Research Resource Centers, Korea

Lee, Rena, PhD

Professor of Dept. of Radiation Oncology
Ewha Womans University, Korea

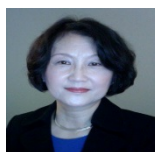

Kim, Sooja, PhD
Former NIH Director of Center for Scientific Review, USA

Park, Suenie, PhD

Director of Division of Hazardous Substance Analysis
SRFDA, Ministry of Food & Drug Safety, Korea

Yang, Esther, PhD
Sr. Director of Abbott Laboratories, USA

Oh, Jane, PhD

NASA Caltech JPL - Jet Propulsion Laboratory, USA
