

# Women in Science and Engineering Forum (WiSE)

Organized by **KWiSE**  
Korean-American Women in Science and Engineering

## Objectives

The goal of the WiSE Forum is to promote cooperation between women scientists, engineers, and entrepreneurs from USA and Korea by discussing and sharing their achievements and current interests. This forum will also provide an enhancement of the network of both American and Korean women scientists and engineers. This year, the WiSE forum will also be organized by KWiSE as the previous WiSE forum at UKC conference.

## Topics

Step Forward in Science and Engineering for Better World by Achieving Excellence through Mentoring Women in Science and Engineering.
