

Korean-American Women in Science and Engineering

The 14th KWise West Coast Annual Conference

**WHEN SCIENCE BECOMES
A PART OF YOUR LIFE**

August 8, 2020, 10am-12pm, Zoom (Meeting ID: 964 4109 7945)

Dear KWise Members, Colleagues and Friends,

Hope you are staying safe during this unprecedented time.

The Korean-American Women in Science and Engineering (KWise) - West Coast Chapter would like to cordially invite you to the 14th KWise West Coast Conference which will be held virtually on August, 8, 2020 (Saturday) 10 am to 12 noon. This year's main theme is **When Science Becomes a Part of Your Life**. Please see the attached Conference program for details.

KWise is the largest science society representing a diverse group of women scientists and engineers with a Korean-based heritage. The mission of the KWise is to promote scientific collaboration opportunities and close networking of Korean Women in science and engineering, and to stimulate enthusiasm for participating in the scientific community. KWise pursues to become a voice for science and engineering at the national and international levels.

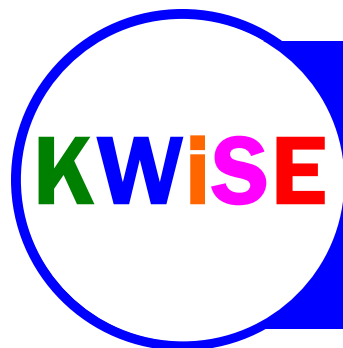

Please join us for an exciting event featuring two motivational seminars, discussion and virtual networking. I am confident that our shared virtual KWise West Coast Conference experience will be innovative and inspire you and one you won't want to miss. Our challenges may be many, but our possibilities are unlimited.

We look forward to meeting you in the Conference.

Sincerely,

Mee Young Hong

Mee Young Hong, KWise - San Diego Chapter President
EunJeong Yoo, KWise - San Diego Chapter Vice President
Eunyoung Sung, KWise- San Diego Chapter Treasurer
